Dear Mr. Barron:

I want to thank you from the very bottom of my heart for what you have done for my granddaughter, Hannah Carr. Thanks to your skills and the Grace of God she now has two ears! I do believe this is going to increase her self-esteem ten fold. I am very grateful for what you have done and for your patience. It takes a lot of patience and self-confidence, which you must have a lot of, in order for you to do what you did for us and others. You also allowed all of us to be in the room with you as you were working, and this meant a lot to us!

What a miracle you have created for us!
Again, thank you!! We will see you when Hannah turns 16 for a new prosthesis.

Sincerely,
Kelen A. Wallace
