

Dear Mr. Barron,

All my life all I wanted was to put my hair up and wear a pair of earrings and after 20 years, you finally made that possible! Now I can be proud of my ear and even my family can't tell the difference. You have a wonderful gift and I will be forever grateful for what you have done for me. I hope

you continue to touch people's lives like you have mine.

once again, thank you so much!

Sincerely,

Jarhaflie
